### “Creative Classes Where Kids Look, Cook & Devour Good Books™”

**Book-Lovin’ Babies:** Mom-n-Me classes designed for the 20-36 month old and a parent/caregiver. During these one hour classes, young children will be introduced to the theme of the class, will share and read along with a new story, participate in a hands-on cooking project, and join the group during an introductory language-based pre-reading game. (Infant siblings are welcome to join us!) Books used in class may be available for purchase. Session 1 starts the week of January 25<sup>th</sup> and runs for 6 weeks and session 2 starts March 15<sup>th</sup> and also runs for 6 weeks. More class times/days will be added based on client’s needs. Please let us know what days/times work for you! These six week sessions are offered in the fall, winter, and spring!

**Beginner Bakers:** Classes for little chefs (2.9ish-3 year olds) are “dished up” once a week for 1.5 hours, bringing books to life with an emphasis on early literacy skills, creative expression, social skills, hands-on cooking fun, and the basics of good nutrition. Potty training is NOT required. Check out our Mix-it-Up classes for children and/or siblings age 3-5 too!

**Chefs in Training:** Mouth-watering classes for 4-6 year olds are offered once a week for 1.5+ hours. Each class takes the children on an alphabet adventure where they “sift” through new literature, “create” tasty treats inspired by the stories, and “stir up” fun while playing reading-readiness games. After all that looking and cooking, they get to devour their hard work! Children are taken “beyond the basics” of the alphabet with challenging phonemic awareness games etc. They are also introduced to kitchen safety, measuring, mixing, cooperation, and nutrition. Check out our Mix-it-Up classes for children and/or siblings age 3-5 too!

**K Stay Program:** Class is held before or after the kindergarten school day. This class complements the school experience by enriching each day with a fun theme and corresponding cooking or science activity, writing projects, cookbook challenges, phonemic awareness games, and so much more in a small group setting (maximum of 12 children on site) with a veteran teacher. This is NOT your average after-school program! Call for availability as these classes are held at 31 Elizabeth Rd. in Hopkinton & include bus service to/from Center School (although out-of-towners are welcome to join us).

**First Grade Book/Cook Clubs:** We are offering classes once a week for first graders who love to cook too! Our book groups will read a new chapter book each week (supplied by HFB.) After some lively discussions, intro to new skills, and activities, we’ll move into the kitchen to whip up a treat related to the story. This class encourages all readers to feel successful and have fun! Session 1 starts the week of January 11<sup>th</sup> and runs for 6 weeks and session 2 starts March 1 and also runs for 6 weeks! Exact start times after school will be determined by the group. By forming a group carpool from Center School to the facility at 3:15ish, we were able to save pick-ups/drop-offs for Hopkinton parents too! Out-of-towners are welcome to join us too! Start times will be based on the needs of all in the class.

Celebrating 9 years of business in Hopkinton we have turned hundreds of children on to the joy of reading with a side of cooking and a cup of humor! All our classes (except K Stay & a few BLB) are held at our state-of-the-art facility at 89 Hayden Rowe; minutes from EMC Park, Target® and downtown Hopkinton! For more info check out:
